**Targets for installing Pumpsets in A.P.**

2786. DR. YELAMANCHILI SIVAJI: Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) what is the target fixed for Andhra Pradesh for installing pumpsets in the State, during the current year; and

(b) what is the total cost involved therein and the resources sought to be mobilised?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI SUKH RAM): (a) and (b) Information is being collected and will be laid on the Table of the House.

**Increase in Employment Opportunities**

2787. SHRI SURESH PACHOURI: Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) what has been the gap between the addition to the labour force and increase in employment opportunities at the end of the Sixth and Seventh Five Year Plan; and

(b) the backlog of unemployment at

the begining of the Eighth Year Plan; and

(c) the strategy proposed during the Eighth Five Year Plan to improve employment opportunities?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI SUKH RAM) (SHRI SUKH RAM): (a) Between the end of the Sixth Five Year Plan and the end of the Seventh Five Year Plan; weekly status labour force and employment are estimated to have increased by 29 million and 25 million respectively, leaving a gap of 4 million and thereby raising the backlog of unemployment from about 9 million at the beginning of the Seventh Plan to about 13 million at the end of the Seventh Plan.

(b) Backlog of unemployment at the begining of the Eighth Five Year Plan is estimated to be around 17 million, by weekly status.

(c) The strategy proposed during the Eighth Five Year Plan includes a high rate of economic growth, combined with faster growth of sectors, sub-sectors and areas which have relatively high employment potential for enhancing the pace of employment generation, geographically and crop-wise diversified agricultural development, wasteland development and forestry development of rural non-farm sector and rural infrastructure, faster growth of small and decentralised manufacturing and large scale programmes of construction of infrastructure and residential accommodation.

(c) The strategy proposed during the Eighth Five Year Plan includes a high rate of economic growth, combined with faster growth of sectors, sub-sectors and areas which have relatively high employment potential for enhancing the pace of employment generation, geographically and crop-wise diversified agricultural development. Wasteland development and forestry, development of rural non-farm sector and rural infrastructure faster growth of small and decentralised manufacturing and large scale programmes of construction of infrastructure and residential accommodation.

**National Income generated from the state sector**

2788. DR. SHRIKANT RAMCHANDRA JICHKAR:
SHRI MOOLCHAND MEENA:

Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) what is the amount and percentage of national income generated from the state sector during the last three years; and

(b) what is the classification of such state sector's national income according to economic activities like administration, commerce, trading, banking, insurance and education?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI SUKH RAM): (a) State sector comprises (i) administrative departments, (ii) departmental enterprises and (iii) non-departmental enterprises of central and state governments and the local authorities. The amount of percentage share of state sector in the Gross Domestic Product (GDP) of the economy at factor cost at current prices for the years 1988-89, 1989-90 and 1990-91 the latest three years for which the estimates are available, are given below.
